

'TEMPLO MAYOR' CHANDELIER BY THIERRY JEANNOT

Body: 31" H x 38" W / Overall Height: 6'8"

Much more than the sum of its parts, the Templo Mayor Chandelier embodies the transformation of materials and a group of people living on the margins in downtown Mexico City.

Thierry Jeannot taught local 'pepenadores' to transform the plastic they find on the streets in ways that reflect a collective sense of what is and what can be beautiful. Recycled plastic, aluminum, plexiglass. Limited customization available. Please call for availability. Allow 10-12 weeks delivery for items not in stock. Each piece is individually crafted. Slight variations will occur.
